PREP INSTRUCTIONS

Heat ½ c vegetable oil in a large skillet. Sauté 3 lbs of sliced onions and 2½ lbs sliced bell peppers until tender. Remove from skillet and set aside. (Optional: sauté 2½ lbs of tomato wedges with onions and peppers.) Sear 7 lbs of sliced sirloin steak (or 8 lbs sliced chicken) in same skillet. Drain pan juices from skillet into measuring cup. Add enough water to pan juices to make 2 c liquid. Return liquid to skillet. Add contents of package (8.9 oz) to skillet and mix thoroughly. Bring to a boil. Reduce heat and simmer, uncovered, 3-5 minutes, stirring occasionally. Stir in reserved sautéed vegetables, heat thoroughly and serve.

For Marinade: Add contents of package (8.9 oz) to 3 qts cool water and 2 c lemon juice or vinegar. Mix well. Divide marinade into two equal portions. Combine half of the marinade with your choice of meat. Cover and refrigerate overnight. Store the remaining marinade in refrigerator in separate covered container. Drain meat and discard marinade. Grill meat. Let set several minutes to allow the juices to distribute and slice. In a large skillet, combine grilled meat with sautéed vegetables. Add remaining marinade, heat thoroughly, stirring occasionally.
