Seasoning Mixes

SEASONINGS ARE THE BASE FOR CREATING DELICIOUS TRADITIONAL FAVORITES AS WELL AS INNOVATIVE, FRESH-FLAVORED RECIPES

Versatility has been a key theme in product innovation, as brands develop multipurpose sauces and seasonings.

One way in which the cooking sauce market can acquire new consumers and drive wider usage is to offer flavours inspired by international cuisine

Mintel. A Year of Innovation in cooking sauces & seasonings, 2020. April 2020.

Globally influenced foods play a wide variety of roles on menus. About two-thirds of operators use them to add variety, balance food costs, and reflect food trends.

EFFORTLESS VERSATILITY

Spice up your menu with a variety of flavors.

- Coat beef, chicken, pork and fish with seasonings
- Season rice and vegetables for delicious sides, unique bowls and stuffed burritos
- Offer an ethnic twist on mainstream favorites like flatbreads, wings and rice
- Create different types of salsa from our salsa seasoning packets including black bean & corn, fruit and salsa verde
- Instantly upgrade the menu with favorite flavors of Fry Seasonings
- Versatile because they're bold enough to add substance, yet neutral enough to flavor a variety of dishes
